EDITORIAL

After an unseasonal start to Spring, with faces full of snow and ice-laden roads keeping our wits sharp, it's about time we warmed our cockles, and what better way than with the toasting glow of a woman, or eight in fact, as we've made sure it's back to back hotties this month. So get stuck in with duo Abril and Christen, or splash out with Aubrey Sinclair who's waiting by the pool, there's also Club newbies Michelle Moist, Mona Kim and Lynna. But I would like to personally welcome back Natalia Forrest, who has been absent from the pages of Club longer than we could bear. Now thankfully the heartache is over. Enjoy!

Dear Club,

I thought that I would share a recent experience I had with you and your readers.

It all started on my friend Clare's hen night I went on a short while back. The night was no different to any other hen night I have been on. We did the usual, went on a pub crawl and were driven round all night in a stretch limousine. We finally got back to the hen's house at about 3am where Clare, Nadia, Heidi and myself carried on drinking and chatting.

The subject of sex soon came up. We were all talking about our fantasies and it turned out that Clare had always had a fantasy of having sex with another girl and had always planned to do this before she got married. Nadia made a joke that I should do her the honour as I was bisexual. It was laughed off as a joke and dismissed. I did, however, make the point that she only had 2 weeks to fulfil this fantasy, so she better hurry up and find a willing girl but thought no more of it that night until we were the last two still up.

10 minutes after the others going to bed, Clare suddenly leaned over, placed her lips on mine and paused. I was pleasantly surprised, as I had always fancied Clare but knew that she had never been with another girl and didn't think that she

ever would. But this was an opportunity I definitely wouldn't miss.

I gently put both my hands on her head and held her soft face against mine. I could feel both our heart rates increasing as we slowly started kissing each other, getting faster and faster, panting more and more by the second. Within minutes we were pulling at each others clothes, tearing them off. Before long we had moved the sofa cushions onto the floor and were rolling around in our underwear. I rolled Clare onto her back and pinned her down to the floor holding her arms above her head with one of my hands and started kissing, nibbling and licking Clare's body. I slowly moved down her body. Clare was gasping and squirming with pleasure.

I managed to unclip her bra and pulled her

“I inserted a couple of fingers into her dripping hole and wanked her furiously.”

thong off whilst still holding her hands above her head. She had a fantastic figure and was tanned. Her pussy had been shaved into a Brazilian.

She lifted her knees up and opened her legs invitingly. I held her hands down at her side so I could move my face in-between her legs. Her breathing was getting louder and louder. I pushed my tongue in-between her swollen lips and made one sweeping lick from back to front. She gasped with immense pleasure. She was so wet.

I started lapping at her clit and inserted two fingers inside her dripping pussy. She kept gasping, wriggling from side to side. I pulled away, teasing her. I pulled myself up and we kissed passionately, grinding our bodies together. I then let go of her hands and she pushed my head back down and thrust my face back between her legs. I pushed my tongue in and out of her wet pussy and sucked at her swollen clit. As I thrust my fingers in and out of her pussy she suddenly let off a loud groan and climaxed. Her juices poured all over my face. She immediately pulled my head up and rolled me onto my back, spread my legs apart and sucked me.

Inserting three of her fingers inside me, pushing them in and out, rubbing and sucking me until I climaxed too.

It has to be said that it was definitely the most amazing girl on girl experience I had ever had!

Alice, Southampton.

Dear Club,

What an excellent Saturday night I just had. I was out with my girlfriend Clare and a group of friends in a new bar on Kings Road. I am sure that it was a full moon that night, as everyone one was in a really wild mood. Everyone seemed to be flirting with everyone. Our group have always been quite a close one but not as close as I realised on this particular night.

By about 4am everyone was ready to head off home. Clare, Tina, and I all headed off in one direction, as we were the only ones who lived south of the river. We started walking in the direction of home hoping to pick up a cab along the way, which meant walking over Albert Bridge and along the side of the park.

As we were walking up to the bridge Clare started playing around with Tina, flirting with her and kept pinching her bottom. Clare and my fantasy had always been to have another

girl join in with us but never thought that the right situation would ever occur. Clare had lived with women before and I knew that she missed having girlie experiences. I could see that situation could possibly happen tonight and I knew that if I didn't say something soon I may miss this opportunity.

I whispered to Clare, "Why don't you kiss her?". As far as we both knew Tina had never been with a girl before so we knew that we would have to tread carefully to pull this one off. Tina shortly picked up on Clare's come on and slid her hand onto her arse. Clare suddenly grabbed the opportunity and pinned her up against a lamppost and started to kiss her slowly but firmly. It was very passionate. I pushed my body against Clare's so she could feel how hard I was and grabbed hold of her tits and squeezed them hard.

Clare started kissing Tina more and more

passionately. She suddenly stopped and asked her if she fancied going into the park for some fun? Tina nodded but whispered into Clare's ear to be gentle with her as all this was all very new to her.

My cock was throbbing at the thought of the whole thing. Clare grabbed Tina by the hand and we all ran into the park. We went up to a short wall not far from the entrance to the park. Clare put her coat on the wall

and told Tina to sit down. I sat down next to her and waited to see what Clare was going to do.

Tina was wearing a very short denim skirt and high heels. She looked so sexy. Clare slid her hand up Tina's skirt and gently pulled down her lacy g-string. Tina opened her legs revealing her shaven pussy. Both of them were panting with excitement. I unbuttoned my trousers and started gently wanking myself off. By this stage Clare was kneeling down in front of Tina holding her legs open wide and was licking her wet lips slowly. What a turn on, I was in heaven!

I watched as Tina grabbed hold of Clare's hand and gently pulled it towards her pussy. Clare inserted her fingers into to her dripping hole and started to wank her off whilst lapping at her clit. She was moaning so much, I couldn't bear it any longer. I got up and stood behind Clare, pulled up her skirt up and yanked her g-string. I inserted a couple of fingers into her dripping hole and wanked her furiously. I was randy as fuck.

Clare was groaning so much. This whole experience made me feel so naughty. I inserted a finger slowly into her tight hole which I could tell she welcomed by the sound of her moans. I then pulled it out and pushed my hard cock against her hole and gently pushed it up her ring, inch by inch. Soon I had built up a steady rhythm in time with both the girls moans. It took no time at all before we all climaxed! What a surprise!

I couldn't believe my luck. It has to be one of my best sexual experiences ever. *Dave, London.*

California sunshine has the ability to make everything look like a picturesque dream, and bang in the middle of this swirling dreamscape is a thing of beauty. A woman, slowly drifting by the pool has caught our attention as she gently slips into the rock pool nearby. Aubery is a sun lovely creature, who just can't rest stripping off.

"Everything is so much more enjoyable when you're naked."

Hats off to the young lady, we entirely agree, but back in old Blighty the sun is a shy phenomenon, and jumpers are more appropriate. Still, it gives us a good excuse for a holiday and to come back and visit Aubery!

STORMY SPECIAL

The Queen of Porn has whipped up a tornado for the Trump administration in recent weeks, so of course, Club raided its archives for the perfect Stormy Daniels!

Dear Total Recall,
I just can't believe what I'm hearing on the news about Stormy Daniels, and that comb-over hamster head Trump; but the polygraph came back true! I mean I can't blame the man, Stormy is a smoking hot babe with amazing bangers and a seriously juicy slit. But still Trump?!? Surely there should be a law against that, I mean the man's in charge of nuclear equipment for christ's sake! Still, I thought I might take the opportunity to ask if you'd consider doing a Stormy Daniels special for your Recall section, as she still gets my rocket hot!

Out in a particularly mountainous region of Spain, and after a very long trek from the airport, we finally reached the inviting hut on the hillside we had been looking for. On opening the door, we were met by the stunning blonde Lynna, who had evidently anticipated our

arrival and produced refreshingly cool beers, while pouring herself a glass of Cava. There was no doubt about it, we had landed on our feet here, as Lynna tossed aside her seethrough gown to reveal her lingerie and stocking clad pins. An arousing sight from every angle, Lynna had us completely transfixed!

Troy : Fall of a City

DVD £17.99, Blu-ray £20.99

It's time to Greek out! Literally, and plunge headfirst into the world of mythology with the legendary retelling of the Trojan War that lasted for a decade. Apart from the fact that's a long time to lay siege to a city, poor Helen, who to quote Faustus had "the face that launched a thousand ships", had probably gone to seed by the time the Spartans got around to the wooden horse idea. But still, it's Saturday night television and entertaining at that, with a few comic moments that a program like this shouldn't be without. Writer David Farr (The Night Manager) certainly seems to have it hand, with more focus on character than the actual spectacle of war, which lends itself well to this tale, where blood is shed on the indignation of a slight to Menelaus (Jonas Armstrong), after Prince Alexander (Louis Hunter), steals his wife, the famous beauty Queen Helen (Bella Dayne). Often in the way of such programs that require chemistry it all goes out the window, but the furtive glances form Helen make enough sexual charge in the first episode to last the series, which holds it in good stead. It's not big on historical accuracy but that's not the point, the die are cast, and the path of Gods cannot be undone. It's a hell of a mess, but great to watch.

Marcella Series 2

DVD £24.99

From classic Scandi crime writer Hans Rasenfeldt (The Bridge) comes the second series of Marcella, back after a critically acclaimed first series, with the more than watchable Anna Friel as DS Marcella Backland. Prone to blackouts and mental instability we're not sure how she's kept her badge, but we're glad she's hung on in there. So, new series, new case and when a body is found inside a wall, it all gets personal. Peter Sullivan's convicted paedophile Phil Dawkins, sits as the prime suspect, by the possibilities keep multiplying with rock drummers and war veterans. Marcella's usual brand of recklessness in the pursuit of a killer blazes through this series, as Friel takes Marcella to the brink in the name of justice.

Striking Out series 2

DVD £19.99

Now, if you haven't heard of this series that probably means your not living in Ireland, but have no fear the DVD is here. Aired on RTÉ the second series of this law drama shot in Dublin is flawlessly stylish, with Amy Huberman's (Cold Feet) solicitor Tara Rafferty, still in a pool of sadness as deep as her blue eyes, after discovering her fiancé cheating on her in the first series. You can expect even more blunders in this latest series; evicted from the café, we join Tara back on the hunt to find new offices, while Vincent Pike, QC (Neil Morrissey) case collapses when the primary evidence goes up in flames. An interesting legal drama that mixes up personal and professional well.

Here's a blast from the past that will have you rummaging for an old copy of The Matrix. Yes, HMD the company that designs Nokia branded products has released another classic, the banana phone as they used to be known is back, updated and supports 4G, in the next instalment of classics from the company. Unfortunately, unlike The Matrix, the slider isn't spring loaded, so you will have to do a bit of manual manoeuvring to access the keypad, but with a retail price of around £70, who's going to complain? There's no touchscreen on this model, and all navigation is via the satisfying slide and reveal keypad. It comes with 4GB of storage, headphone jack, a basic 2GB camera, and a long life battery.

Is it possible I've slipped into a coma and dreamt the last 25-years of tech? Or is it just that sometimes the old ways are the best ways. Whatever cultural trend is beating the path of society currently, it's loaded with nostalgia, and I like it. So make way for everyone's favourite blue blur, as Sonic Mania hits our aching thumbs in all his former 2D glory, as we rack up golden rings, boost Sonic's speed and generally remember what it was like to be young. So a big pat on the back for SEGA, who released this beauty for PS4, Xbox One, Nintendo Switch and PC; I cannot express all the hours of joy it has brought. Merge 6DoF Blaster

www.mergevr.com

Let's face it we're all just still kids at heart, even if the mirror betrays us with the sight of a few grey hairs starting to sprout. And what better gadget for the eternal young than your very own gaming shot out gun. Don't let the kiddy plastic look fool you, just slide your smartphone in and pop away on your latest battleground. It's what you might call an affordable version of VR, and while you won't get the same standards of emersion, it's a lot less hassle to hook up and costs considerably less. It works with both Android and iOS systems so software won't be an issue. Your phone does most of the work by tracking your movements as it would do without the blaster, just like it does when your out and about, but it way more fun playing with a gun in your hand. Due for released this summer, the Merge 6DoF Blaster is thought to hit the market priced around £40-50.

It's always a big deal in the office when we come across a girl and realise that she's yet to feature in Club. There's the shock, then comes the bafflement, and finally the excitement. This month it's Michelle Moist who has been putting us through our emotional paces, and it may take us some time to forgive ourselves that it's taken so long to feature this ravishing lady. But thankfully it's never too late!

Two for the price of one, is always a bargain few can resist, and we've come to the conclusion the same applies to ladies. For who could refuse the two gorgeous ladies we have here, undressing each other with lustful intentions? We didn't think you could, as they tease each other's plump pussies with tongues and toys. And of course, we couldn't resist bringing all this glorious action to our Club readers attention. Bon appétit!

Friends and Lovers

Wicked Passions

Starring: Blair Williams, AJ Applegate, Aaliyah Love, Brett Rossi, Angela White, Chanel Preston, Tommy Pistol, Tyler Nixon, Donnie Rock, Bill Bailey, and Small Hands.

Synopsis: "Caroline and Matt (Aaliyah Love and Tommy Pistol) have been best friends since college, but things were simple back then. Their adult lives have gotten very complicated. Through break-ups and infidelities, they've been there for each other, but true love seems to have eluded them both until one night when they finally kiss. They begin to wonder whether or not they could be both Friends and Lovers."

Verdict: A fragile ego here, a compliment there. We can all see where this is going

even if the two main characters Caroline and Matt can't, as they wander down the length of their friendship. But when Caroline comes home early to surprise her boyfriend, she gets a shock of her own after discovering her partner's infidelities. So as Caroline's world crumbles conveniently so does Matt's as his girlfriend Rebecca thinks it's time they took a break. Will they eventually get it on and grab a slice of the kinky action that seems to be going on around them? You'll have to watch and see. Mainly one on one scenes, with a singular cheer me up threesome, but plenty of deep throat, pussy licking and cum showers.

When the jungle drums started beating, signalling that Natalia Forrest was in the PRP building, it was like an apocalyptic mass exodus as we all rushed to catch a glimpse of the favoured beauty, who has been greatly missed across all our titles, but none more so than in Club, where the Natalia shaped hole has been felt keenly. But fear not, for the good lady is back and order restored, so just like you, we're now going to sit back and appreciate Miss Forrest in all her natural glory. If you haven't ever met a woman who screams summer nights, let me introduce you to Mona. This feisty lass is no stranger to knocking back tequilas in a beach bar, surrounded by golden sands. "If the suns out I want to be in, laid out naked, with a cocktail by my side, and preferably a hunky man."

We can certainly see the benefits of stretching out in the sun before us; Mona is the picture of health and vitality, a breath of summer air you could say.

BOSS BOFFS BIRD!

The fact that I'm a lesbian has never been a secret, but as the boss of a large office I've always tried to keep business and pleasure separate. I never discuss the subject and my staff seem to respect my privacy and don't ask about my domestic life.

Over the years I've inevitably been attracted to some of the women I've employed but I've never crossed the line and made a pass at any of them. Of course, I've eyed up young work experience girls from across the office on occasions but I've always maintained I'd never get sexually involved with an employee because it could be just too messy if things didn't work out between us.

Anyway, all that changed when I took on a new secretary called Emily last month. There was something about her manner that aroused me so much when I first met her. It wasn't just the fact that she was young and pretty – there was something naïve and innocent about her that turned me on so much. I'm sure it sounds really perverted but I just couldn't take my eyes off her slim young body as I interviewed her for the job. She was wearing a smart skirt and white blouse and I struggled to hide the fact that I was desperately trying to make out the shape of her pert tits through the fabric as I talked to her.

The first few days of her new job were hell

for me because I couldn't concentrate whenever she was in the same room. I felt like a silly girl with a teenage crush and my fanny would become damp as soon as she was within arm's reach.

At first our relationship was very formal and, despite my lustful thoughts, strictly professional. But as soon as I'd go home at the end of the day I'd find myself fantasising about bending her slender body over my desk and licking her sweet young cunt. The taboo of being the boss and taking advantage of an employee really turned me on and night after night I'd find myself rubbing my clit as I

“Then I took the whole nipple between my teeth and chewed it very gently, making her squeal with excitement”

dreamed of eating her out.

One night, I needed Emily to stay behind with me to prepare some important documents and ordered some food when we needed a break. By this time we'd become quite friendly and at an appropriate point I casually dropped in the question of whether she was romantically attached. It was music to my ears when she said she'd given up on men because her fiancé had two-timed her.

Although I knew it was a long shot, I wondered if she would be open to the possibility that a woman could give her what she needed. My question must have hit a nerve and I panicked that I'd upset her when her eyes started filling with tears. She wept as she told me she'd found her ex in bed with her best friend and I slipped my arm around her to comfort her gently.

For a split second I worried she'd think I was coming onto her, but to my surprise, she nestled her head against my chest. My mind buzzed with the question of whether to take a chance with her. My nipples stiffened as her salty tears soaked

through my blouse and my fanny throbbed at the thought of her pink mouth being so close to my tits.

I gently stroked her hair and when she lifted her head to look at me, I quickly decided it was too good an opportunity to miss. Holding her gaze, I leaned forward and planted a light kiss on her lips. My eyes darted back and forth, questioning her next move, but to my utter astonishment she didn't pull away. In fact she came towards me, parting her lips so I could kiss her properly. Her skin was so soft and I kissed her very gently, fearing she would bolt at any minute. But to my delight she kissed me back more forcefully and I slipped my tongue into her mouth.

At the age of 30, I know I'm hardly old but I felt unbelievably aroused by the fact I was snogging a girl of only 19. Emily's kisses became more confident and she twisted her own tongue around

“As I thrust my finger in and out of her sticky hole, I rubbed the sensitive knob of flesh.”

increased the pressure until I was tweaking them firmly. When I pulled my lips away from hers she kept her eyes closed and tipped back her head in ecstasy, seemingly urging me to get my mouth on her breasts. Not believing my luck, I licked and kissed her long neck and nibbled my way down to her chest.

Emily whimpered with excitement as I slipped off her bra straps and focused my attention on her taut little teenage nipples. I

mine as it explored her mouth. I decided to take a further risk and lowered my hand to unbutton her blouse. I slipped my hand inside and gently stroked her small young boobs through her cotton bra. When she didn't object, I rubbed her small nipples softly, making her gasp quietly with pleasure. This was a sexy dream come true.

Her rosy little buttons stiffened under my fingertips and I

flicked my tongue across the sensitive surface of each and gently kneaded her flesh between my palms. Then I took the whole nipple between my teeth and chewed it very gently, making her squeal in excitement.

By this point, I was so horny I thought I'd explode and couldn't wait to get into her knickers. Still sucking her tits, I began hitching up her skirt.

"I've never done this before," Emily whispered nervously but I assured her she was in good hands.

"Don't worry, you'll love it. No man can make a woman as happy as another woman can," I assured her.

I eased down her white panties and she enthusiastically helped tug them off. Then I parted her slender legs to get my first close-

“I slowly stretched open her arse with my tongue and pushed it inside.”

up of her tight fanny. Her pubic hair was neatly trimmed around the edges but was still bushy and her thighs were already damp from her excitement.

Gently, I peeled open her wet pussy lips to reveal her juicy warm hole. Emily breathed deeply in an attempt to calm her nerves as I explored her snatch, first with my eyes and then with my fingers. I slowly traced the length of her gash with my fingertip, then focused on her swollen pink clitoris. At first she was so wet that I had difficulty stopping my finger from skidding off her stiff love button, but soon I'd built up a steady rhythm.

Emily panted hard, the experience

obviously proving as mind-blowing for her as it was for me. She opened her legs as wide as possible to give me better access to her sopping cunt and I plunged my finger deep inside her begging hole. Once inside, I bent it forwards to stimulate her g-spot and her reaction made me wonder if anyone had ever hit the right spot before. She went absolutely wild, rocking furiously against my hand and squirming around in ecstasy.

As I thrust my finger in and out of her sticky hole, I rubbed the sensitive knob of flesh buried in her cunt and she begged for

more. I leaned closer to her fanny, breathing her sweet pussy scent for a few tantalising moments before unleashing my tongue on her already throbbing clitoris.

Still filling her hole with my fingers, I got to work lapping at her pulsating button. Her whole body shook with excitement as I pleased her expertly and eventually the sight of her aroused cunt in my mouth was too much to cope with. I couldn't resist the temptation to give my own fanny a little pleasure while I drove Emily closer and closer to an orgasm.

I was so fucking horny that I only had to bump against my clit a few times to bring myself off. I rubbed away at my dripping cunt but the sounds of my orgasm were muffled by Emily's juicy fanny.

As soon as my body had recovered from its short, intense climax, I could devote my attention to bringing Emily to her first girl-on-girl orgasm. I slipped my soaking finger out of her fanny and ground my fingertip against the entrance to her puckered bum hole. I let my mouth wander from her pussy hole to her pink rose and circled her sensitive skin with the tip of my tongue. Emily squealed in delight and clamped her legs around my face. I love being rimmed by a girl and Emily obviously shared my exotic tastes.

I slowly stretched open her arse with my tongue and pushed it inside. While I was doing this, I manipulated her clit with my thumb and in a few seconds she started to come. Her small frame shuddered with the power of the orgasm and I moved my tongue back and forth from her bum to her cunt as

she wriggled with sheer joy. She grabbed handfuls of my hair as she lost herself in her huge climax and her hips bucked like she was some kind of wild animal.

I'm sure you can imagine there's been a lot more overtime for Emily since that night but she's the first to admit she gets job satisfaction from working for me.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BACK (DOOR) STABBER

I have always fancied Emma but unfortunately, she's my best mate's girlfriend. One New Year's Eve, the three of us had arranged to meet in the pub and when I arrived Emma was already there but Paul was nowhere to be seen. I took a deep breath and walked across to her. She is my idea of a perfect woman – a bit of a tart, pretty, blonde, tanned, slim with firm little tits and a gorgeous round arse. That night she was wearing a skirt that must have ended inches below her panties and a top that hugged her breasts like *Clingfilm*.

I said hello, bought her a drink and sat down opposite her and noticed that she wasn't wearing a bra. Her nipples were straining against the fabric of her top. I could feel my cock stirring under the table as I imagined what it would be like to take one of those hard

“They were sticky with her cunt juice and she held them for me to suck and lick clean.”

little buds in my mouth.

We were chatting for a while, when her mobile rang and she answered it. It was Paul, he'd been held up at work and wouldn't be able to make it that evening.

“I guess it's just you and me tonight then,” she said, as she moved to sit next to me. “Do you like my top?” she whispered. “It's just, I've noticed that you've been staring at it all evening or is it my tits that you've been looking at?”

I felt myself go bright red. She slipped a shapely hand into my lap and squeezed my hard cock through my jeans. I almost came there and then.

“Thought so...” she said. “How about we pick up a bottle of bubbly and go back to my place to see in the New Year, just you and me?”

I nodded, unable to believe my luck. We were soon on the sofa back at her place, snogging each other's brains out. Emma pulled my rock hard dick out of my jeans and sucked it into her mouth. I moaned in pleasure as I watched my shaft disappear between her full, red lips. She face-fucked me, her fingers kneading my balls. With a moan, I unleashed my hot come down my best mate's girlfriend's throat.

“I'm not finished with you yet,” she said, as she removed our clothes and got down on all-fours, spreading her pussy lips open. I got behind her and sank my cock into her deliciously wet, pink snatch. As I fucked her, I pushed one of my fingers gently up her puckered arsehole. She didn't even jump!

“Fuck my arse,” Emma gasped. “I've always wanted a thick dick up there.”

I pulled my cock out of her pussy and placed the well-lubricated head against her star and pushed it into her tight hole. We were both groaning with pleasure as I watched her stretched bum-hole devour the full length of my prick.

The town hall clock had struck midnight without us even noticing and, with one more deep thrust, I came, filling her arse with hot spunk. Only then did we decide to open the bottle of bubbly and get down to giving Emma what she'd probably have been getting off her real boyfriend about that time – an orgasm and, this time, a pussy full of spunk!

David, Farnborough.

FEELD WORK

Reading your 'Peaches' stories made me think about the first time I made it through the backdoor with my present girlfriend, Linda. I have always adored women's bottoms but I'm always careful not to push the idea of rear entry with a new partner, as I know how some women can be put off the idea.

I'd been going out with Linda for a few months at the time – we'd always had great sex from the start and she'd always let me touch her where I liked. She hadn't objected when I lay between her legs to lick at her cunt and clitoris and, as she neared orgasm, slipped my finger into her anus so that I could feel her hole tighten and pulse as she came. Magic! However, we never really got round to discussing the possibility of me putting anything else up there!

The matter came to a head, so to speak, quite spontaneously, last summer. Linda and I were out for the day. We'd had a pub lunch and Linda had had a couple of drinks and was nicely relaxed. It was a hot, sunny day and she looked really sexy in her light, short, summer dress and white strappy shoes. The thong she was wearing underneath only emphasised the curve of her slim buttocks as she moved.

By the time we left the pub for a drive into the Suffolk countryside I was feeling pretty

horny. Linda was aware of my mood and as we cruised through the deserted country lanes, she took off her shoes and put her bare feet up on the dashboard. Her dress fell back, revealing her shapely, brown thighs but she made no move to cover herself (she knows how much I like to look at her legs). As I drove, I reached out with my left hand to feel the soft, warm flesh of her naked thigh. She smiled at me and sighed and let her legs fall open slightly, inviting me to explore her further. My hand slipped up between her legs to feel the swell of her flesh under the tight, white material of her thong. I felt the heat and dampness of her there as her excitement and pleasure grew at my touch.

After some leisurely miles, I asked her to take her panties off. She laughed and, lifting her bottom off the seat, slid them off and threw them onto my lap. They were stained with her cunt juice and I put them to my face to inhale the smell of her sex as I drove. This seemed to arouse her further and she slipped her hand between her legs and started to play with herself. Then she reached across and placed her fingers against my mouth. They were sticky with her cunt juice and she held them for me to suck and lick clean. The

“**I pushed my dripping helmet into her pulsating arsehole.”**

taste of her was maddening, I could stand the teasing no longer!

I pulled the car through a gateway and into a quiet corner of a field. I felt mad for her now, my balls ached and I just wanted to empty them into her. We both got out of the car and she stood at the front wing as I came round to her side of the car. Her eyes fixed blatantly on my groin and the bulge that she has created. She reached out to me and we kissed deeply and passionately, her belly grinding against my hard cock as I pulled her against me. As we came up for air, I grabbed her by the shoulders, turned her round and forced her down across the bonnet of the car. I pulled her skirt up to her waist and she stretched out across the warm steel, moaning with anticipation.

I spread her feet wider with mine. Her round buttocks were parted for me, exposing her arse to my gaze and her soaking cunt lips opened around my three fingers, as I pushed them inside her, stretching her, causing her to writhe and push against my hand.

Her arse was open to me and I pulled my fingers out of her and started to feel around her anus, slicking her opening with her own juices. She made no move to stop me but kept pushing her bottom back, as if to beg for more. I unzipped my trousers and pushed them down, together with my pants, to my ankles. My cock was stiff. I pushed it against her, rubbing it over her crack and rose to her arsehole. I plunged my cock back into her cunt and fucked her until my balls were going

to burst and she climaxed noisily, bucking hard against me as she came. I managed to hold on through her spasms and pulled out of her. Then I started to tease her slippery arsehole with my hard meat. Her slick anus opened like a flower as I pushed my dripping helmet into her pulsating arsehole.

She gasped and called out, "Oh God, Philip, you're so big inside me. Please don't stop!"

I felt her arse open further as she relaxed and I pushed my length gently into her until my cock was buried in her up to my balls. She felt so tight as I slowly began to fuck her.

She pushed at me again and gasped, "It's fantastic, Philip, don't stop now. Fill me up! Just do it to me!"

I needed no further bidding. I held her by her curvy hips and fucked her with increasingly hard strokes, the flesh of her buttocks rippling as they slapped against my belly. She felt so good in there, I started to lose control. As my spunk finally jetted into her hot, tight tunnel, I felt her arse tighten around me and her whole body shuddered again in orgasm.

Then as my cock shrank, I gently pulled out of her. She lay across the bonnet, still breathing hard, allowing me to watch my spunk drip from her anal rose and ooze around her swollen, pink, shining cunt. *Phil, Kennett.*

Wank off with your personal dirty girlfriend Text: 07441 915 094

A After entering Vicky's boudoir, I'm struck by how delicate everything appears. Vicky just smiles as I comment on the fact. "But what I'm about to show you, will make you want to be anything but delicate, it's a juxtaposition."

All I can say is it undoubtedly works judging by the effect it's having.

What our well-placed moles are telling us this month...

DOWN THE WIRE

Groundhog Day!

When the goods are hot, it's better to pass the potatoes on, as they say. So turning up to court in a stolen vehicle is the base of stupidity. Police have reported that 25-year-old Jonathan Rivera, was making a court appearance on vehicle theft charges relating to an incident in February where he had been charged with first-degree larceny. Parking authorities were scanning number plates outside the court and found a car that had been reported stolen. The authorities waited to see if anybody returned to the car, and sure enough as Rivera entered the car police arrested him. Talk about going around in circles.

Hot wheels!

Slim Shady!

Window tints in order to get that all-important shady look can land you in a whole heap of trouble. 30-year-old Isaac Bonsu, from northern Virginia, was being pulled over for the car modification when it became clear something else must be up after Bonsu failed to pull over on request. During the pursuit, Bonsu parked up on a residential street and attempted to make a run for it on foot, but clearly fails to apply the parking brake, resulting in the car running the perpetrator over. Bonsu is charged with driving while intoxicated, processing marijuana and hit and run.

Rolling like a river!

Balls Are Up!

When's your Dolmio Day?

We could make all sorts of jokes about this one, but we will restrain ourselves. The Luzerne County police department took a call alluding to the theft of a pot of meatballs from a garage. Police have charged 48-year-old Leahman Potter, with trespass, burglary and theft. Police say the victim contacted the police department and explained the saga of the vanishing meatballs, and that at around 2:30 pm Potter had been spotted in front of his house with red sauce around his mouth and down his clothing. The pot was later found on the street. This really is a meaty version of events for Police to get their teeth into, it's a shame Potter ate all the balls.
